This is your assessment booklet for Whakamahi Whenua unit standard 25471: Describe the cultivation of crops in accordance with tikanga.

Assessment criteria

Paetae/Achieved

You must complete all assessment tasks correctly to gain credits for this standard. There is ONE (1) OVERALL assessment task for this standard and there are THREE (3) assessment tasks that you must correctly complete to meet the overall assessment task for this unit standard at Paetae/Achieved or Not Achieved.

Instructions

For this unit standard; you will:

Observe and listen to your kaiako carefully, take notes, photographs, or do illustrations as you go and keep them in a portfolio.

All the information must meet the requirements of the selected crops and is in accordance with local tikanga.

There are spaces for answers, however this assessment may be presented orally, visually or in writing. This may include, but is not limited to 3D images/printings, power point presentations, videos, photos, illustrations, performances, etc.

Conditions

- All activities must be correctly completed before credits are awarded.
- You and your pouako/assessor will discuss your choice of presentation method and resources (e.g. computer, cameras etc).
- Activities must be completed in class time only however the gathering of information may take place whenever the opportunity arises.
- Your pouako/assessor will discuss with you the processes for reassessment.
- Your pouako may arrange access to internet or libraries, to marae, art galleries, and museums.
- You may work in pairs or groups however you will be assessed individually.
